

PS 183 Family Giving Fund

Because our kids are worth it!

What is the Family Giving Fund?

The Family Giving Fund is PS 183 PTA's largest annual fundraising campaign. It is comprised of donations from our families to support enrichment programs and the school's operating budget.

Why does the PS 183 PTA raise funds?

The PS 183 PTA provides enriching experiences for your child that impart a margin of excellence in his/her education. Your charitable donation means that all our children will benefit from:

Program	budget
Teaching Assistants (kindergarten-2 nd grades)	\$225,000
Professional development for our teachers	\$52,150
Enrichment programs: (Art, Science Program, Music, Track, Chess, NY Historical Society, Constitution Works, Spelling Bee, National Dance Institute, Wild Bird Fund)	\$46,400
Recess program	\$23,400

How much should we donate?

Our goal is **100% family participation**, at the level that is comfortable for your family. All donations are greatly appreciated! The suggested donation amounts are:

\$800 per child for the general fund

\$500 per child additional donation for the Teaching Assistants fund (kindergarten – 2nd grades)
